## **PRAYER PROMISES**

**I promise to pray for the following five individuals and their families:**

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_

I promise to pray for the businesses and organizations that may be affected by those afflicted with addiction and can assist in communicating and distributing flyers for the seminars. Commit time to pray for those listed. Pray for the ministry and outreaches to people who are suffering from addiction and their family members. Prayer Promises are powerful in reaching those affected.
